Experiences

2020

Graphic Designer - WDI, CKF, DF&Co

Designed a range of visual assets from digital to print works for the museum's new exhibition called Modern by Design.

Collaborated with production department and content writers to achieve consistent design aesthetics for upcoming exhibitions.

2021

Photography and Cinematography - WDI, DF&Co

Worked in concert, event, portrait, and product photography for various clientele. Provided high-quality imagery for websites, brochures, and promotional press kits.

Proficient in other adobe creative suite programs to process and package the photos in whatever format the client needs.

Experienced working on site in dynamic and unpredictable environments, using both natural and studio lighting.
